Ooooh...
Ooooh we'll be together

Every little
Every little step I take
Every little
Every little step I take
Every little
Every little step I take
Every little
Every little step I take

I can't sleep at night..
I toss and turn
Listen for the telephone
When I get your call
I'm all choked up
Can't believe you called my home
And as a matter of fact
It blows my mind
You would even talk to me
Because a boy like you
Is like a dream come true
A real life fantasy

No matter what your friends try to tell ya
We were meant to fall in love
And we will be together
Any kind of weather

It's like that
It's like that

Every little step I take
You will be there
Every little step I make
We'll be together
Every little step I take
You will be there
Every little step I make
We'll be together

I can't sleep at night
I toss and turn
Listen for the telephone
When I get your call
I'm all choked up
Can't believe you called my home
And as a matter of fact
It blows my mind
You would even talk to me
Because a boy like you
Is like a dream come true
A real life fantasy

No matter what your friends try to tell ya
We were meant to fall in love
And we will be together
Any kind of weather

Its like that
Its like that

Every little step I take
You will be there
Every little step I make
We'll be together
Every little step I take
You will be there
Every little step I make
We'll be together

Every little
Every little step I take
Every little
Every little step I take
Every little
Every little step I take
Every little
Every little step I take

No matter what your friends try and tell ya
We were meant to fall in love
And we will be together
Any kind of weather
Its like that
Its like that... girl!

Every little step I take
You will be there
Every little step I make
We'll be together

Every little step I take
You will be there
Every little step I make
We'll be together
