im sure gonna miss you

i always think about you  
all the time your on my mind we play together you and i  
i cant believe that its true  
now i have to see you leave your the only one for me

bridge:  
my girlfriend  
my best friend  
i dont wanna see you go  
i just wanna let you know that  
that i had a crush on you  
i cant wait no longer girl to say what i feel

chorus:  
im gonna miss you forever [gonna miss you girl]  
[gonna miss you girl]  
im gonna miss you forever [gonna miss you girl, gonna  
miss you girl]

the first time that i saw you  
i knew it from the very start  
i had a place deep in my heart  
i cant believe that its true  
now its time for you to leave, maybe i cant believe

bridge:  
my girlfriend  
my best friend  
i dont wanna see you go  
i just wanna let you know  
that i had a crush on you  
i cant wait no longer gurl, to say what i feel

chorus:

i'm gonna miss you forever  
{gonna miss you gurl, gonna miss you gurl}  
i'm gonna miss you forever  
[gonna miss you gurl, gonna miss you gurl]

you and me together  
gurl i'll wait forever  
it's only a matter of time  
'cos i never wanna see you go
