Verse 1

I got a friend and I may just get him
Ready and a push with a mic in my right hand
Move you, groove you
Get something to dance to, if you want to
Step outside, come along, let's ride
Don't listen to the talk, take a walk on the wild side
Thinkin', talkin', clockin', everybody's shockin', and
rockin

Bridge

Cause you know and I know
That we rule the dance floor
If the DJ's too slow-slow
I guess that it's a no-no, no-no
If I say...

Chorus

Jump jump to say how high
Jump jump to the left to the right
Jump jump and turn around
Jump jump and touch the ground
X2

Verse 2

Ain't gonna mix with the latest craze
Everybody's thinking it's just a phase
But they don't about going out, showing out, and
hanging out
And don't know the rules about...

Bridge

Chorus

Rap:

Say boomity boom boom, boombastick
Fun fun fun, funtastick
Swing the nation
Cause a sensation
Or good vibration
