(touch?)

Oh if someone writes a song with a simple rhyme

('n sync)

Just a song where is feeling show

(the moffatts)

And if someone feels the same about the simple song

(gil)

Oh sometimes you can hear them sing

(squeezer)

Music gives you happiness and sadness

(nick-bsb)

But it also, also heals your soul

[chorus]

Let the music heal your soul

Let the music take control

Let the music give you the power to

Move any mountain

(touch?)

If someone plays piano with some simple chords

(aaron)

So melodic and endearing, too

(brian-bsb)

Oh if someone plays guitar with the old piano

(the boyz)

And maybe you can hear them sing

(nick-bsb)

Music gives you happiness and sadness

('n sync)

But it also

(bl?mchen) it also heals your soul

[chorus]

(brian-bsb)

Let the music heal your soul
Let the music take control
Let the music heal your soul

[chorus] x 4
