My first ride  
Wait outside  
I'm steppin' inside

I don't really care  
What everybody says  
That a hot ride with the girls away, anyway  
All I wanna do is drive, okay  
Can't stay, can't stay, and I can't wait  
Any day, any day now  
It's official  
AC, I'ma place my initials  
You little weasels  
Now I got diesel  
I can hold the steering  
Real steady, get steady  
When I gotta refuel  
Crank the track up  
Now I'm grown up, and all sewn up  
I'm comin' through  
With the system blastin'  
Bangin' my head  
Hell raisers raisin'

Watch me  
Ride 'til the tank is empty  
Anywhere I wanna go  
Don't tempt me  
I wanna roll to the Hoop  
In the Bentley  
Ridin', ridin', ridin'

Catch me  
Or ya gonna be  
Left lonely  
In the dust  
Of the one and only  
Can't hold me  
Control me  
When I'ma  
Ridin', ridin', riding

(uh uh ah ah ah ah uh ah ah ah uh)  
Ridin', ridin', riding  
(uh uh ah ah ah ah uh ah ah ah uh)  
Ridin', ridin', riding

Trouble burn  
Rubber burn  
It's my turn  
I'm here when you cross the road  
Mark the turn  
Feels like Formula One  
But oh no  
I'm getting pulled over  
By the one five oh  
What the deal, yo, uh  
Officer tell me  
What's the problemo

(You were driven way to slow)  
(You gotta do 60 you were doing a 4-0)

Let me see your drivers license  
And registration  
I don't need one, it's Aaron's Alien Nation

I'm just Carter  
Here we go, then I laugh  
If you let me off I'll  
Write your daughter and autograph  
Then he laughed, and said 'sure'  
Gimme your ticket  
He said 'boy look'  
Get outta here before I lose my cool  
And act like a driver  
(You know the rules)

Watch me  
Ride 'til the tank is empty  
Anywhere I wanna go  
Don't tempt me  
I wanna roll to the Hoop  
In the Bentley  
Ridin', ridin', ridin'

Catch me  
Or ya gonna be  
Left lonely'  
In the dust  
Of the one and only  
Can't hold me  
Control me

When I'ma  
Ridin', ridin', riding  
(uh uh ah ah ah ah uh ah ah ah uh)  
Ridin', ridin', riding  
(uh uh ah ah ah ah uh ah ah ah uh)  
Ridin', ridin', riding

Slow down

My first ride  
I'm steppin' inside

Watch me  
Ride 'til the tank is empty  
Anywhere I wanna go  
Don't tempt me  
I wanna roll to the Hoop  
In the Bentley  
Ridin', ridin', ridin'

Catch me  
Or ya gonna be  
Left lonely'  
In the dust  
Of the one and only  
Can't hold me  
Control me  
When I'ma  
Ridin', ridin', riding

Watch me  
Ride 'til the tank is empty  
Anywhere I wanna go  
Don't tempt me  
I wanna roll to the Hoop  
In the Bentley  
Ridin', ridin', ridin'

Catch me  
Or ya gonna be  
Left lonely'  
In the dust  
Of the one and only  
Can't hold me  
Control me  
When I'ma  
Ridin', ridin', riding  
(uh uh ah ah ah ah uh ah ah ah uh)  
Ridin', ridin', riding  
(uh uh ah ah ah ah uh ah ah ah uh)  
Ridin', ridin', riding

(uh uh ah ah ah ah uh ah ah ah uh)
