Warm place calm and quiet  
Small grace white birds high up  
You know fireworks and fairy tales and dragonfly  
In my summer mind  
Soft and dark skin  
Palm trees and sun cream

Easy talking in the bed  
I drink your lies  
With some Corona

And the heat smells good close to your head  
Right in the streets of Barcelona

Dangerous, looks fake  
Beautiful mistake  
How come such a big storm in those green eyes  
How come such a big storm in those green eyes

Easy talking in the bed  
I drink your lies  
Easy talking in the bed  
I drink your lies  
With some Corona

And the heat smells good close to your head  
Right in the streets of Barcelona

Easy talking in the bed  
I drink your lies  
With some Corona

And the heat smells good close to your head  
Right in the streets of Barcelona

Don't care what people say; I'm dreaming louder  
everyday  
Don't care what people say; I'm dreaming louder  
everyday  
Don't care what people say; I'm dreaming louder  
everyday  
Don't care what people say; I'm dreaming louder

everyday

Don't care what people say; I'm dreaming louder  
everyday
