(La la la la la)

(La la la la la)

Hazy, crazy

Everyone is lazy

I wanna show the world how this could be amazing

Drinking lemonade with the sun looking down me

It's summertime and it's like the sea

We're checking around, got the sun-top down

The radio blearing at the best summer sound

In the palm of my hand, I got the sun, the sea

And the summer vibrations got a hold on me

One for the summertime

Everyone's got that summer vibe and

One for the summertime

'Cause it make's ya feel so good

Yeah, one for the summertime

Gonna party on all through the night

Just like everybody should

One for the summer

Yeah, one for summer

We're livin' it up real good, oh yeah

(Check it out, yeah)

One for the summer

Yeah, one for the summer

You gotta pump up your radio

Let's go, let's go

Come on

(La la la la la)

(Come on)

(La la la la la)

Here we go!

Hit this space, we're gonna cruise control

We're the world's eighth wonder and we're doing it all

Just checking out the crowd, I am precise and I

It' summertime, and were cool as ice

We're checking around, gonna hit the town  
'Cause the party don't stop when the sun goes down  
Flip flop, wanna see ya bop  
'Cause it's one for the summer  
And it just won't stop

One for the summertime  
Everyone's got that summer vibe and  
One for the summertime  
'Cause it make's ya feel so good  
Yeah, one for the summertime  
Gonna party on all through the night  
Just like everybody should

One for the summer  
Yeah, one for summer  
We're livin' it up real good, oh yeah  
(Check it out, yeah)  
One for the summer  
Yeah, one for the summer  
You gotta pump up your radio  
Let's go, let's go  
Come on

Take a cruise, school don't start back soon  
It's summertime (Summertime!)  
And it don't stop there, we can go anywhere  
It's summertime (Summertime!)  
Take the moon 'cause it's there for you  
It's summertime (Come on!)  
You gotta pump up your radio  
Let's go, let's go  
Come on!

(La la la la la)  
(Come on)  
(La la la la la)

Come on, come on

Yeah, one for the summer  
Yeah, one for the summer

One for the summer  
Gimme one for summer  
We're livin' it up real good, oh yeah  
(Check it out, yeah)  
One for the summer  
Gimme one for the summer  
You gotta pump up your radio  
Let's go, let's go

Come on

Gimme one for the summer  
(Give it up for the summertime)  
(Come on)  
Gimme one for the summer  
(Summertime!)  
(Come on)  
Gimme one for the summer  
(Give it up for the summertime)  
You gotta pump up your radio  
Let's go, let's go  
Come on

Gimme one for the summer  
(Give it up for the summertime)  
(Come on)  
Gimme one for the summer  
(Summertime!)  
(Come on)  
Gimme one for the summer  
(Give it up for the summertime)  
You gotta pump up your radio. . .
