I wish I had the chance to give my heart back .  
Before you left like that .  
The thing that hurts the most , never said good bye .  
Dont understand why .  
I wish I could hear your voice once again .  
You didn't gave god the chance to show you his plan .  
Gave it up so soon .  
I didn't know you felt alone .  
Now you're gone .  
(Chorus)  
She's really gone gone gone x3

I wish I could've known what made you angry .  
You never open up to talk to me .  
You come around with the smile on your face .  
I didn't know your pain .  
Maybe I didn't pay attention to the signs .  
But was it that I couldn't see as I was so blind .  
Can't believe you left me to wonder what was wrong .  
Now you're gone .  
(Chorus)  
She's really gone gone gone x3

Why didn't you let me in .  
I can't reach out of my hand and now I'm standing here  
hurting .  
Cause I lost my very bestfriend .  
I dont know why you would go away and leave me all  
alone !  
And I'm so sad girl .  
She's gone gone gone .  
She's really gone gone gone x2  
I wish I could've known what made you happy .  
Why did you leave me , this way ?  
You didn't talk to me .  
I would've listen to you .  
There are so many people that miss you .  
I miss you too .  
I see you crossed over .  
Some might pieces still .  
Cause now you're here .  
But I wish I could've known what made you happy .
