Straight outta the metro rhythm central I'm innovative
at thee intro
Cause I go slow moe but never slow poke but never
joke dope but never
Coke spits a riddle like flim loose with my lyrics like
double jointed
Limbs I twist and I bend common episodes past freak
mode the monstrous
Bass beneath my pace be like morse code slash beep
slash beep scanners
Zero in to the system in your jeep I'm out there with
Kool Keith and
Ced-Gee and De La inventors of my third seeing eye
with futuristic
Vision I'm not among loony nut cakes on a mission I
gets in where I
Fit in cause life's too short so you could all label me
weirdo but yo
I know it's talent ...
Chorus Mad explosive spontaneity
At present I speak the new beginning when every other
trend fell short
So who'll be the shareholder of my kinda thoughts
besides the studios
Cuz the gludious max-a-must lack ability to scoop all
capabilities of
Spontaneity within me depicted kicked it true vibes
pops jazz but
Collaborated with the cool known flows but unfamiliar
grooves soothe
Individual moods like soul food for thought ...
Rip here be dizz like everybody's on it cause eternal
verbal expansion
Keeps enhancing brain child's ability to like surpass a
swarm of booty
Ass no grass roots having ass mc's with luke warm
degrees trying to
Get hot like sun rays but save your jazz for Sun Ra you
don't wanna
Spar my skills fill up thee outer limits like mars and
you's a little
Star I jacked your twinkle when I excelled well like

Tinkerbell up to
Higher levels and heights cerebral flow takes flight on
airborne time
I'm a prime candidate of specimen in your walkman as
you're listening
I make things happen cause I'm the captain keepin' this
great
Chorus Mad explosiv
