I'm reclinin' out West - maxin at da resss pressed to see

had hit a dry
spell I figured I'd manicure my nails den out da blue
I'm interrupted
by the bell it was Kia talkin bout Dia c'mon let's bounce
tonight
Wu-Tang performin at da Fever and I got backstage
passes - vip status
da after party's at the Marriott we in the night like
Gladys cool I
can do wit dat give me 45, so I can wash da pussy cat a
marinade da
body hop in mizarahi tighten up dah afro and turn to
superhottie tell
you what I'll hit you up soon as I'm ready when I see
your Mitsubishi
out front we jettin'
(chorus)
Arrived at da club like 11:45 - scenery was live - mob
like a 3-2
center outside fly riders da whole shabang you know
how Philly hang
come time nah get extravagant while I was side
tracked by the glamour
and the glitz key was chattin' wit a bouncer telling him
we on nah
list within a split second we escorted through
congestion routine
friskin' metal detection all's clear as air - no question
so we
grabbed at the bar and head towards da dance section
wit no hesitation
we breeze to the back in the green room where the
celebrities was at,
that's when nah propaganda began to emerge star
stud events must
trigger hoochie alerts cuz Kia went berserk, diggy low

at first subtle
body language actin'like a flirt tongue stickin out wit
da' baby doll
pout talkin' all loud I'm like what's dis all about ... -
mono-
Here come tha' raw maneuver luew-der than imagined
Kia aimin' for
attention strivin for it with a passion slips out her
sarong starts
dancing in her thongs like a bootie song was on I said
sis you know
you wrong (see) you tha' reason nigs be screamin'
bitches, hoes and
tricks I'ont believe you goin' out on nat Adina Howard

to judge so

you do it...
Chorus
True honey buns wanna have fun un-like a chick who
