Satanic principles of Prometheus archetype  
Denying sins and forgiveness  
Serpent gave humans entheogens  
None realm will be ignored  
From the experience of Heaven  
To the experience of Hell  
Catalysed to Ecstasy  
Third Eye Chemistry  
Diving far below me  
Third Eye Chemistry

"Ye shall know the truth, and the truth shall make you mad" [Aldous Huxley]

"For God knows that the day you eat of it  
Your eyes will be opened, and you will be  
Like God, knowing good and evil."  
[Gen 3:5]

Good and Evil  
"For a seer, the truth is that all living  
Beings are struggling to die. What stops  
Death is awareness."  
[Carlos Castaneda]

Wandering orthogonally to reality  
Nomad beyond common perception  
Painting the Earth with so called insanity  
Breeding new worlds through neurosis  
Destruction  
Where the fools are blindly crawling lost  
To open the gates with lysergic raindrops  
Crossing the Styx to defeat the Holy Ghost  
To face Satan's throne with an acid heart  
Transposed to Divinity  
Third Eye Chemistry  
Travelling far beyond me  
Third Eye Chemistry
