From the black hole NeXus
Gates are opening
Rising from the abyss of Neptune
Seven towers of blasphemous names
Blessed by dragon Fire welding ten crowns
It has received the force
To overcome the saints
All the worms of Earth will worship it
Bow
Lord of lords
King of kings
The fatal wound healed - It lives

Totem SataN
Steal Ziggurat
Arrogant antenna
Loading Hell
From the NeXus
Totem SataN
Steal Ziggurat
Insulting the Heavens
Goat metal phallus

Architecture of damnation
Cuming puke of demons
Tearing the skies
Spitting harsh fire
Grinding those who wouldn't worship it
Nobody is able to make war with it
Fear
Crown of crowns
Throne of thrones
The fatal wound healed - It lives

Totem SataN
Steal Ziggurat
Arrogant antenna
Loading Hell
From the NeXus
Totem SataN
Steal Ziggurat
Insulting the heavens

Goat metal phallus

Rising from the seven seas
Serve and worship
The Iron Icon

Radiations for their genes
Waves for their brains
Vaccine for their blood
