Arrogant Temple  
Of iron and blasphemy  
Psychocalls for human plug-ins  
Gathering in Ecstasy  
We are  
The New Templars

Crusaders against life  
Hatred  
Prophets of DrugZ MysticisM  
Abducted by the Iron Icon  
Raised  
Strict individuals on a Mission

Our Strength is the Meaning  
Our Faith is the Sign

New breed of mystics  
Spawn  
Acid faith  
Warrior will  
Discipline of Hell  
Strictly alone  
Fire tekno shamans 666  
Third Eye is our weapon  
We are preparing the dawn of the Kult

Our Art is the Totem  
Our Master is SataN

Morbid strife  
Astral process  
Forbids life  
Altar access

Throwing deathly flames of SataN  
New aeons Fire threat  
Concrete of the Apocalyptical Beast  
Relay of the Luxifer Meme  
Guardians of His Temple  
LSD leads to  
Pledging allegiance

Without begging for favours  
Our reward is His triumph  
Our value is our action

Die

Alone  
Wandering on Earth  
We stare at the Sun  
Gate which gave life on Earth  
Gate which will bruise it  
We are  
The New Templars
