A new plague is rising  
And it's a plague of black  
The Mantodea, who are exciting,  
And the women who like these men

This is a new age for you  
And some men might call it war  
It's a plague for all those men out there  
But for women we rock and roll

Do You think I'm arrogant  
No girl, I am really a gentleman  
The Black Mantis will Rock 'n Roll  
Heavier than Pop, we'll take control

No woman can resist the plague  
The harvest will go down  
The plague will spread from bad to worse  
And the mantis will carry on

A bad year is what will come  
And next year will be worse  
Rock 'n Roll for old or young  
And for the women, we are the cure

Do You think I'm arrogant  
No girl, I am really a gentleman  
The Black Mantis will Rock 'n Roll  
Heavier than Pop, we'll take control

Do You think I'm arrogant  
No girl, I am really a gentleman  
The Black Mantis will Rock 'n Roll  
Heavier than Pop, we'll take control

A new plague is rising  
And it's a plague of black  
The Mantodea, who are exciting,  
And the women who like these men

This is a new age for you  
And some men might call it war

It's a plague for all those men out there  
But for women we rock and roll

Do You think I'm arrogant  
No girl, I am really a gentleman  
The Black Mantis will Rock 'n Roll  
Heavier than Pop, we'll take control
