I'm not a nice guy and I will not be
And I might an asshole when I drink for free
People dislike it, but to hell with them!
I don't care, 'cuz I will win in the end!

You can search for that money! But no gold is there!
You can search all you want! But no one cares!
Don't expect my help, I'm not that type!
You can cry all you like, I'm very unkind!

No, no, I'm not a nice guy!
No, no, I'm not that nice!
No, no, I'm not a nice guy!
Come on down, I'm gonna break that ice!

Never made it with the ladies, but I am trying to
And it seems that Mister perfect ain't really there for
you
You trusted mr. nice guy much more than me
It will be you, who is losing and I will be free!

You can search for that money! But no gold is there!
You can search all you want! But no one cares!
Don't expect my help, I'm not that type!
You can cry all you like, I'm very unkind!

No, no, I'm not a nice guy!
No, no, I'm not that nice!
No, no, I'm not a nice guy!
Come on down, or I'll break that ice!

Dropped out of school, but I've got a job!
And I own a bigger car than that piece of junk!
Girls like it and the women will smile!
And never you'll be happy with that nicer guy!

You can search for that money! Search for that gold!
You can search all you want! But the story is told!
Don't expect my help, I'm not that type!
You can cry even more, I'm very unkind!

No, no, I'm not a nice guy!

No, no, I'm not that nice!
No, no, I'm not a nice guy!
Come on down, or I'll break that ice!

No, no, I'm not a nice guy!
No, no, I'm not that nice!
No, no, I'm not a nice guy!
Come on down, or I'll break that ice!

No, no, I'm not a nice guy!
No, no, I'm not that nice!
No, no, I'm not a nice guy!
Come on down, or I'll break that ice!

No, no, I'm not a nice guy!
No, no, I'm not a nice guy!
No, no, I'm not a nice guy!
No, no, I'm not a nice guy!

No, no!
No, no!
No, no!
No, No! I'm not that nice!
