Would you believe in any word I say
I wouldn't mind but somehow I got
Lost along my way
The borders you seek are what I left behind
All I can see is just an
Apparition to the blind
You may not know me
But I keep your hand in mine
For what you show me
And sometime
You may find
Why I'm here
And there's nothing I can give
But the simple fact I live
Why I'm here
If I cast the days away
I've got nothing to explain
But maybe I'll ease your pain
That's why I'm here
Would you believe in any vow I make
I wouldn't mind but you'll find
It's more than you can take
I know that you're lost but I won't interfere
Maybe someday you'll discover
Where to go from here
You may not know me
But I keep your hand in mine
For what you show me
And sometime
You may find
Why I'm here
And there's nothing I can give
But the simple fact I live
Why I'm here
If I cast the days away
I've got nothing to explain
But maybe I'll ease your pain
That's why I'm here
Why I'm here
And there's nothing I can give
But the simple fact I live

Why I'm here
If I cast the days away
I've got nothing to explain
Colder than the rain
I'm colder than the rain
And I wash away the stains
I will wash away the stains
