Ohhhhhhhhhhh...

I don't wanna go to school  
Just wanna be a fool  
Just wanna play video games  
Everything else is really lame

Just wanna play video games  
Just wanna play video games  
Just wanna play video games  
All the time and every day

Parents say it's frying my brain  
Just because I can't remember my name  
Just wanna play video games  
All the time and every day

Just wanna play video games  
Just wanna play video games  
Just wanna play video games  
All the time, every day

Game Cube, X-Box, Play Station 2  
Know all about them as soon as they are new  
Just wanna play video games  
All the time and every day

Just wanna play video games

Just wanna play video games  
Just wanna play video games  
All the time and every day

Ah man  
Ohhhhhhhhhhh...

We don't have school today  
They say it's conference day  
Everybody knows anyway  
The teachers are at home  
Playing video games

Just wanna play video games  
Just wanna play video games  
Just wanna play video games  
All the time, every day

Just wanna play video games  
Just wanna play video games  
Just wanna play video games  
All the time, every day

I don't wanna go to school  
Just wanna play video games  
Just wanna be a fool  
Just wanna play video games  
Everything else is really lame

Ohhhhhhhhhhh...
