Many nights I sit here
With memories by the score

Thinking of the days I spent
With the girl I still adore
So I'm going back to see her
Before my days are done

Going back to see her in the
Land of the sea and sun

Once I had a notion
about this Bajin girl

I put my thoughts in motion

And found my heart in a whirl
Going back to see her

Before my days are done
Going back to see her in the
Land of the sea and sun

~~~~~

Ever since I left her  
Nothing has been the same

Think I'll pull up anchor

I'm going back to give her my name  
Many nights I sit here

Thinking of the days I spent  
With memories by the score  
With the girl i still adore  
Before my days are done  
Yes I'm going back to see her

Going back to see her in the  
Land of the sea and sun
