The week is done gonna treat it like a holiday
Grab the fellas hit it fast on the highway
Song is bumpin' in the car get the dance on
Lookin' for a dance club, gotta get my sound

Hit this spot where the beat is feeling kinda right
Shake it up shake it down, move it left and right
Now you're doin' it, movin' it to the beat, you and me
ALL N I G H T

(Let the rhythm take control)
You can do it, nothing to it
Now you know you're grooving when you

Put your hands way up high
(We rubbin')
And wave them from side to side
(We rubbin')

Put your hands on your hips
(We rubbin')
And shake, shake, shake
(We rubbin')

Put your hands way up high
(We rubbin')
And wave them from side to side
(We rubbin')

And put your hands on your hips
(We rubbin')
And shake, shake, shake
(We rubbin')

I feel it, I know you feel it too
And if your doin' it right, let me hear you say, ooh
Don't stop, hit it, get it, hop hop, hit it, hit it
Get up on your feet and get rubbin'

Make sure the DJ puts 'Rubbin' on
And everybody in the house just sing along
And if you didn't bring a friend, make a new one

Just start the rubbin', it's a lot of fun

(Let the rhythm take control)
You can do it, nothing to it
Now you know you're grooving when you

Put your hands way up high
(We rubbin')
And wave them from side to side
(We rubbin')

And put your hands on your hips
(We rubbin')
And shake, shake, shake
(We rubbin')

Put your hands way up high
(We rubbin')
And wave them from side to side
(We rubbin')

And put your hands on your hips
(We rubbin')
And shake, shake, shake
(We rubbin')

When the body is dead, we got to get it jumpin'
Baby, never be scared to get down
(Get down)
Now we're losing our heads, can't keep our feet from
dancing
Music's over our heads, so come on, come on, come on

You got it down keep the dance going all night
And it's so easy, even grandma can do it right
We let her dance all night, you know what's comin' next
Now new dance, new thrill, givin' you the best

First there was a twist and everybody got jiggy
Now everybody do the rubbin', it's for really
So pack up your group, get a grip, come equipped
Hit the dance floor and just shake your hips, come on

You've got to throw your hands way up high
(We rubbin')
And wave them from side to side
(We rubbin')

Put your hands on your hips
(We rubbin')
And shake shake shake

(We rubbin')

Put your hands way up high

(We rubbin')

And wave them from side to side

(We rubbin')

And put your hands on your hips

(We rubbin')

And shake, shake, shake

(We rubbin')

Put your hands way up high

(We rubbin')

And wave them from side to side

(We rubbin')

And put your hands on your hips

(We rubbin')

And shake, shake, shake

(We rubbin')

Put your hands way up high

(We rubbin')

And wave them from side to side

(We rubbin')

And put your hands on your hips

(We rubbin')

And shake, shake, shake

(We rubbin')

Shake, shake, shake

(We rubbin')
