Speaking words softly  
So slowly  
Can't you see

You're taking, not giving  
Try thinking  
about me.

Try to find a way,  
can you make it  
without me.

Every other day,  
Its the same without,  
you here.

Drinking then sleeping  
try taking this  
pain away

Feelings start fading

dissapering  
around you

Try to find a way,  
can you make it  
without me.

Every other day,  
Its the same without  
you here

\*Bridge

Try to find a way,  
can you make it  
without me.

Every other day,  
Its the same without  
you here
