She's the one that turns hard fuckers
Into some kind of nice 'lil lovers
She's the one that turns dirty junkies
Into some kind of kewl tender daddies

To kill the time,
She rides on the white line
Fresh 'n reckless
Full of life, she hates loneliness...

A teenage queen,
She just wanna be in our dreams
So blind and clean
Our sweetie sweet Rosie...

Innocent Rosie
Innocent Rosie
Innocent Rosie
Innocent Rosie
Innocent Rosie

She's the one that turns drug dealers
Into some kind of chestnut sellers
She's the one that turns angry nazis
Into some kind of hungry babies

Lovely schoolgirl
Cutest thing i've ever kno-o-o-o-own
My naughty fairy, she's pure naivity

Fly my angel fly, under my wings
So weak and real,
Our sweetie sweet Rosie

Innocent Rosie
Innocent Rosie
Innocent Rosie
Innocent Rosie

Livin' in this eternal dream
I could do anything, anything for you

A teenage queen,
She just wanna be in our dreams
So blind and clean
Our sweetie sweet Rosie...

Innocent Rosie
Innocent Rosie
Innocent Rosie
Innocent Rosie
Innocent Rosie...
