He-e-ey, he-e-ey, he-e-ey, hey hey
Ooooooh
Hey-hey-hey-hey)

Let me show you tonight
Let me show you tonight

Night has begun; i'm comin' down in your city with the
boys
Lookin' for some nice 'n sleazy girls to party hard
tonight
To get hot

(One, two)

Eyeliner 'n hairspray
My leather fits tight
Are you ready for tonight?
Well, come on!

Let me show you tonight
How we'll rock your city, how we rock the night
Let me show you tonight
Shakin', dancin', teasin'
Let me show you tonight
No one's gonna stop me
Let me show you tonight
How we rock your city,
How we rock the night

I'm dynamite; i'm a bomb
Searchin' for a nice place to explode
Goin' down town where boys 'n sexy girls hang around
to
Shock their world
Dancing all night with fire

Hit the light, nothing to take us higher
Under the light, we're gettin' wild

Let me show you tonight
How we'll rock your city, how we rock the night
Let me show you tonight
Shakin', dancin', teasin'
Let me show you tonight
No one's gonna stop me
Let me show you tonight
How we rock your city

Are you ready for another ride?

Always out on the run
We just wanna have some fun

[guitar solo]
