Reflex in the sky warn you you're gonna die
Storm coming, you'd better hide from the atomic tide
Flashes in the sky turns houses into sties
Turns people into clay, radiation minds decay

Robot minds of robot slaves lead them to atomic rage
Plastic flowers, melting sun, fading moon falls upon
Dying world of radiation, victims of mad frustration
Burning globe of oxy'n fire, like electric funeral pyre

Buildings crashing down to a cracking ground
Rivers turn to wood, ice melting to flood
Earth lies in death bed, clouds cry water dead
Tearing life away, here's the burning pay
Electric funeral
Electric funeral
Electric funeral
Electric funeral

And so in the sky shines the electric eye
Supernatural king takes earth under his wing

Heaven's golden chorus sings, hell's angels flap their wings
Evil souls fall to hell, ever trapped in burning cells!
Fairies wear boots (black sabbath)

Goin' home, late last night
Suddenly I got a fright
Yeah I looked throught the window and surprised what I saw
Fairy boots were dancin' with a dwarf, all right now!

Fairies wear boots and you gotta believe me
Yeah I saw it, I saw it, I tell you no lies
Yeah fairies wear boots and you gotta believe me
I saw it, I saw it with my own two eyes, well all right now!

So I went to the doctor, see what he could give me
He said "son, son, you've gone too far.
'cause smokin' and trippin' is all that you do."
