Something about the way that you look on me
You watch every move, every word, every fantasy
Got no time for love, something on your mind
Got the face of an angel but the stare from a devil
inside

I got hell looking up, heaven looking down
People say the woman's got an evil eye
I got hell looking up, heaven's looking down
Free me from the woman with the evil eye

I turn away but still I see your evil stare
Trapped inside my dreams, I know you're there
Thoughts of happiness you destroyed them all
First inside my head then inside my soul

I got hell looking up, I got heaven looking down
People say the woman's got an evil eye
I got hell looking up, heaven looking down
Free me from the woman with the evil eye

Evil eye
Evil eye
Evil eye

Oh, here you are inside my head
Burnin' dreams, am I dead
I'm floating in space and time
These thoughts they can be blind

I got hell looking up, heaven looking down
People say the woman's got an evil eye
I got hell looking up, heaven looking down
Free me from the power of the evil eye

Evil eye
Evil, evil alright

It's evil eye
It's evil eye
It's evil eye, yeah

It's evil
It's evil
Yes, it's evil, yeah, yeah

[Incomprehensible]
