goin' home last night
suddenly I got a frieght
yeah I looked through the window and suprised what I
saw.
Fairy boots were dancin' with a dwarf, all right now!

fairies wear boots and you gotta believe me
yeah I saw it, I saw it, I tell you no lies
Yeah faries wear boots and you gotta believe me

I saw it, I saw it, with my own two eyes,
well alright now!

So I went to the doctor, see what he could give me
he said son, son, you've gone to far couse smokin' and
trippen' is all that you do.
