I am anger
Under pressure
Locked in cages
A prisoner
The first to escape

I am wiccan
I am legion
Strength in numbers
A lie
The number is one

Chorus:
I - I - I
Everything that I see is for me

Yes, I am giant
I'm a monster
Breaking windows
In houses
Buildings of glass
Rebel rebel
Holy outlaw
Ride together
Don't try it
The power's in one

Chorus:
I - I - I
I am standing alone
But I can rock you
I - I - I

On the edge of the blade
But the knife can't cut the hero down

I am virgin

I'm a whore
Giving nothing
The taker
The maker of war

I'll smash your face in
But with a smile
All together
You'll never
Be stronger than me

Chorus:

I - I - I
Right here on my own
But I still rock you
I - I - I
Don't follow behind
Just leave me on the outside

I - I - I
I am standing alone
But I can shock you
I - I - I
On the edge of the blade
But no one makes the hero bleed
(No, no , no)

I am hunger
Feed my head
All together
You'll never
Never make the hero bleed
(No, no, no)
