So you lie awake and think about tomorrow  
And you try to justify the things you've done  
But there's no one here to hear your tears falling  
When you turn around you find out that you're the  
lonely one

And it feels like someone's treading on your shadow  
And you always thought that Heaven knows for sure  
And it feels like you're drowning in your tears

So I won't cry for you  
No, I ain't gonna die for you  
And I ain't gonna lie for you  
No, I ain't gonna cry for you  
I ain't gonna cry for you

So you lie awake and think about the sorrow  
Does it really still the fears in your mind?  
And you try to realize the things you've wanted  
But you take it all for granted and now it makes you  
blind

And it feels like someone's treading on your shadow  
And you always thought that Heaven knows for sure  
And it feels like you're drowning in your tears

So I ain't gonna cry for you  
No, I ain't gonna die for you  
And I ain't gonna lie for you  
Oh, I ain't gonna cry for you  
I ain't gonna cry

I ain't gonna cry for you  
I ain't gonna cry

So I ain't gonna cry for you  
No, I ain't gonna die for you  
No, I ain't gonna lie for you  
No, I ain't gonna cry for you

Ain't gonna cry, ain't gonna cry for you no more  
Ain't gonna die, I ain't gonna die for you no more

I ain't gonna lie, I ain't gonna lie for you no more
