Told you once about your friends and neighbors
They were always seeking but they'll never find it
It's alright, yes, it's alright
Where to go and where to see it's always been that way
And it can never be
It's alright, yes, it's alright
Give it all and ask for no return
And very soon you'll see and you'll begin to learn
That it's alright, yes, it's alright

Oooooh....
It's alright, yes, it's alright
Don't you know that it's so good for you
You can be making love and see it all goes through
But it's alright, yes, it's alright
So I told you once about your friends and neighbors
They were always seeking but they'll never find it
It's alright, yes, it's alright
Oooooh....
Alright (4)
