The highway's screamin', callin' out your name  
'Cause every road that you travel on  
There's a price to pay  
A thousand eyes are starin'  
But the blind still lead the blind

Where will you turn if it all goes wrong  
And you're on the run Jerusalem?

Where will you turn if it all goes wrong  
And you're on the run Jerusalem?

You say you walked through the valley  
You say you've seen the signs  
Echoes call you from a distant age  
Or is it in your mind?

When a thousand souls rise from the sea  
Holding up the sun  
And an angel cries 'Beware your lies'  
It could be the end of it all

Where will you turn if it all goes wrong  
And you're on the run Jerusalem?

Where will you turn if it all goes wrong  
And you're on the run Jerusalem?

Everybody knows your name  
Every road leads to anger  
Will it always be the same?  
Is there reason to return?  
Is there reason to return?

When a thousand souls rise from the sea  
Holding up the sun  
And an angel cries

Where will you turn if it all goes wrong  
And you're on the run Jerusalem?

When an angel cries, Jerusalem

Better watch your lies, Jerusalem  
When an angel cries, Jerusalem
