Finished with my woman
'cause she couldn't help me with my mind
People think I'm insane
because I am frowning all the time

All day long I think of things
but nothing seems to satisfy
Think I'll lose my mind
if I don't find something to pacify

Can you help me, occupy my brain?
Oh yeah
I need someone to show me
the things in life that I can't find

I can't see the things that make true happiness,
I must be blind

Make a joke and I will sigh
and you will laugh and I will cry
Happiness I cannot feel and
love to me is so unreal

And so as you hear these words
telling you now of my state
I tell you to enjoy life
I wish I could but it's too late
