Feel so good I feel so fine  
Love that little lady always on my mind  
She gives me lovin' every night and day  
Never gonna leave her  
Never going away  
Someone to love me  
You know she makes me feel alright  
Someone who needs me  
Love me every single night  
Feel so happy since I met that girl  
When we're making love  
It's something out of this world  
Feels so good to know that she's all mine  
Going to love that woman till the end of time

Someone to live for  
Love me till the end of time  
Makes me feel happy  
Good to know that she's all mine  
Lovely lady make love all night long  
Lovely lady never do me no wrong  
I don't wanna leave ya  
I never wanna leave ya  
Anymore no more  
Lovely lady  
Mystifying eyes  
Lovely lady  
She don't tell me no lies  
I know I'll never leave ya  
I'm never gonna leave ya  
Anymore no more
