Feel so good I feel so fine  
Love that little lady always on my mind  
Gives me lovin' every night and day  
Never gonna leave her, never goin' away

Someone to love me  
You know she makes me feel alright  
Someone who needs me  
Love me every single night

Feel so happy since I met that girl  
When we're making love it's something out of this  
world  
Feels so good to know that she's all mine  
Going to love that woman 'til the end of time

Someone to live for  
Love me 'til the end of time  
Makes me feel happy  
Good to know that she's all mine

Lovely lady make love all night long  
Lovely lady never do me wrong  
I don't wanna leave ya  
I never wanna leave ya,  
Anymore no more  
Lovely lady, mystifying eyes  
Lovely lady, she don't tell me no lies  
I know I'll never leave ya  
I'm never gonna leave ya anymore no more
