Alright now!  
Won't you listen?

When I first met you didn't realize  
I can't forget you or your surprise  
You introduced me to my mind  
And left me wanting you and your kind

I love you. Oh you know it

My life was empty forever on a down  
Until you took me showed me around

My life is free now, my life is clear  
I love you sweet leaf - though you can't hear

Come on now - try it out

Straight people don't know what you're about  
They put you down and shut you out  
You gave to me a new belief  
And soon the world will love you sweet leaf
