Well I don't want no demon to tell me what it's all about
No black magician telling me to get my soul out
Don't believe in violence, I don't even believe in peace
I've opened the door and my mind has been released

Well I don't want no preacher telling me about the god
in the sky
No I don't want no one to tell me where I'm gonna go
when I die
I wanna live my life with no people telling me what to do
I just believe in myself, 'cause no one else is true

Every day just comes and goes

Life is one big overdose
People try to ruin me
and I can't seem to eliminate them

People riding their real pace
keep on running their rat race
The ante is risen once a week
in their world of make-believe

So believe what I tell you, it's the only way to fight in the
end
Just believe in yourself, you know you really shouldn't
have to pretend
don't let those empty people try and interfere with your
mind
Just live your life and leave them all behind
