Back woods gold
And I'm back on the road
Playin' moonshine games
But the taste is gonna be the same

Hotrods to hell
And the angels are rollin'
I wanna go
Where that hill-tea is flowin'

Hotrods to hell
And the angels are rollin'
'Take me back home
Where ole' Mary Jane's growin'

A little sign out front
Reads dinner, pool, and lunch
But that card in his hat
Will tell you what's flowin' out the back

Hotrods to hell
And the angels are rollin'
I wanna go
Where that hill-tea is flowin'

Hotrods to hell
And the angels are rollin'
Take me back home
Where ole' Mary Jane's growin'

Old men laughin'
While the whittle away their past
"The law think they know
But the bootleg man he gets the last laugh

Hotrods to hell
And the angels are rollin'
I wanna go
Where that hill-tea is flowin'

Hotrods to hell

And the angels are rollin'
Take me back home
Where ole' Mary Jane's growin'
