Big train rolling down the line  
Makes me lonely  
Sometimes I wish to ride away  
Sometimes I want to ride away  
Yeah

Big plane flying through the clouds  
Makes me worry  
Sometimes I wish to fly away  
Sometimes I want to fly away

[Chorus:]  
But you can't judge a book  
Looking at the cover  
You can't love someone  
While messing with another  
No, you can't win a war  
Fighting with your brother  
You wanna have peace  
Gotta love one another

Big guns lighting up the sky  
Makes me worry  
Sometimes I wish to run away  
Sometimes I want to run away

[Repeat Chorus:]  
But you can't judge a book  
Looking at the cover  
You can't love someone  
While messing with another  
No, you can't win a war  
Fighting with your brother  
You wanna have peace  
Gotta love one another

I have seen my brothers  
In ashes on the ground  
And maybe in a new life  
We can turn this thing around

[Repeat Chorus:]  
But you can't judge a book  
Looking at the cover  
You can't love someone  
While messing with another  
No, you can't win a war  
Fighting with your brother  
You wanna have peace  
Gotta love one another

No you can't judge a book  
Gotta love one another  
Can't judge a book  
No you can't judge a book
