She was so beautiful to watch  
Swirling in and out of view  
A seemingly Spanish dance  
Her hands and heels  
Moved this girl  
With eyes downturned

Subtle flesh stirs beneath blackened threads  
Blind and tempting  
Shy and enticing, yet I fear  
She'll disappear before the night ends

Time seems to bring us together again  
A decade later in another place  
Are you the girl I've been dreaming of  
You look like her  
You smile like her  
That raven-haired beauty of another time

A rush of memories washing over me  
I've always been waiting for someone to set me free

Those eyes quietly tell me  
Of a passion we could share  
Her dance reminds me  
Of a life that we once knew

Stands for my hopes  
Stands for my thoughts  
Stands for my dreams  
Drifting on to oblivion

Can you tell me about the intuition I feel  
Can you tell me about everything I long to understand

Remnants of a deeper purity

She was so beautiful to watch  
Drifting out into oblivion  
A moon-faced memory with eyes downturned  
Are you the one

The one I've been dreaming of
