Gates of Death now open, Massacres of Humankind
Destruction of the Church, Holocaust rise to the sky
Terror, Torture, Tyranny Savaging the children of God
Sacred Hearts torn from the womb, drowning in Divine
Blood...

As the Black Winds of Death drape the Eternal Kingdom
of Light

Chaostorms of Demonic Hate Unleashed by Nocturnal
Wrath

Gates of Death now open, Massacres of Humankind
Destruction of the Church, Holocaust rise to the sky
Terror, Torture, Tyranny Savaging the children of God
Sacred Hearts torn from the womb, drowning in Divine
Blood...

HAIL - Hail to the Warlords of Death

WAR - Summoning of Infernal Wrath

CHAOS - Bestial Vengeance Attack

DEATH - Eternal Desecration Reign
