Burn the Holy Scripture Forged with Lies
Antichrist Victory in Flames Satanic Will prevailing over
All
Rejoicing in the Death of God...
Vicious desecration upon the Feeble, Broken Flock of
Jesus Christ
Holy denunciation, from the Abyss of the Dark We Shall
Rise
Cursed Souls damned by the Majesty of Hell Bestial
Conjuration
Infernal Legions summoned to obliterate His
Dominion...
Savior of the Weak Holy prince of Lies
Bastard Son of God I deny your Holy Paradise...
The Messiah's Death is now rejoiced as Revelation
Bow down to Me, For the Son of God is No More...
