I was told to toe a line
Instead I kissed the boys
And made them cry
But still you think its funny
I was late
Well god told me to wait
And in the end when hearts were handed out
Some of us missed out
But if your lonely
Kiss the boys
And make them cry
It only hurts you for a little while
And we'll keep turning,
Turning round the sun and
All the days roll into one
I took my time to look around
In love and other places I have been
I pushed and stumbled in
But I was late
Still god told me to wait
And if I go up high on my trapeze
Let's hope that I dont sneeze
But if your lonely
Kiss the boys
And make them cry
It only hurts for you a little while
And we'll keep turning,
Turning round the sun and
All the days roll into one
Georgy porgy told a lie
Kissed the boys
And made them cry
When the boys came out to play
Georgy porgy ran away,
Georgy porgy ran away
But if your lonely
Kiss the boys
And make them cry
It only hurts for you a little while
And we'll keep turning,
Turning round the sun and
All the days roll into, into one

And we'll be turning,
Turning round the sun and
All the days roll into, into one
And we'll be turning,
Turning round the sun and
All the days roll into, into one
If your lonely
If your lonely
If your lonely
If your lonely
