Why do we torment each other  
Why can't we just let sleeping dogs lay  
Beat each other to the pulp  
And make up all in one day  
Guess I'm getting pretty tired  
Of living life this way

But its a love hate kinda thing  
I don't know if you know  
That it's driving me insane  
I don't know where to go  
With this love hate kinda thing  
This love hate kinda thing

Why do you say its black  
I know it's white  
Why can't we  
Just call it quits without a fight  
I don't think you're very smart  
You don't think I'm very pretty  
Guess we never thought at all  
And it seems like such a pity

Cause its a love hate kinda thing  
I don't know if you know  
That it's driving me insane  
I don't know where to go  
With this love hate kinda thing  
This love hate kinda thing

I looked at the sky  
Holding my hands over my eyes  
'Till I fell out of bed  
Hurting my head  
>From things that you said

Why do we torment each other  
Why can't we just let sleeping dogs lay  
Beat each other to the pulp  
And make up all in one day  
Guess I'm getting pretty tired

Of living life this way

But its a love hate kinda thing  
I don't know if you know  
That it's driving me insane  
I don't know where to go  
With this love hate kinda thing  
This love hate kinda thing

It's a love hate kinda thing  
I don't know if you know  
It's a love hate kinda thing  
I don't know where to go
