Visit "[An Old Friend](#)" on MotoLyrics.com

Sometimes this life yeah it moves so fast
It's less painful to forget your past
Yesterday I caught a moment in time
And thought of someone I hadn't seen in awhile

CHORUS:

An old friend's on the telephone
Callin' up to say hi
Man I miss you
Hope you're doin' fine
An old friend's on the telephone
Callin' up to say hi
For a day we could go back in time

Now no two people walk the same two roads
But sometimes the paths cross very close
Don't let the past get you sad
Just she'd a smile for the time you had

-CHORUS-

So wherever you are
And whatever you do
Keep a piece of me with you
Me with you

Sometimes this life moves so fast
Just for a day I think I'd like to go back
To a certain place that's in my life
And wrap my arms around a friend of mine

-CHORUS-

So wherever you are
And whatever you do
Keep a piece of me with you
