Those - Those, they told us those were the days
The times, the times they do a-change
Our eyes - Are glued to T.V. screens
We lost the thrill for everything
Instead of pushing forward making a new move
You just sit, bitch there's nothing to do
That's why we...

CHORUS:

Reminisce bout better times
Bored to death with this way of life
Nothing to do but lose your head
In a generation bored to death
We're all bored to death

For better - For better, for better times we pray
As for now let's ppaint our world gray
We sit - We sit and kill the times
Held captive to this state of mind
Instead of pushing forward making a new move
You just sit, bitch there's nothing to do
That's why we...

-CHORUS-

SPOKEN: Is there any hope for a generation bored to death

-CHORUS 3x-

We're all bored to death
