I've benn crying all night
'Cos i got a hell of a fright
And I shouted out "shite!"
My poor telly is broken

It's gone, gone forever
It'll never come back
Im sure, (i'm sure..)
My life is over because
My poor telly is broken

What will i do to get over the pain
What will i do, i need something to gain
What will i do if it starts to rain
My poor telly is broken

It's gone, gone forever
It'll never come back
I'm sure (i'm sure..)
My life is over because
My poor telly is broken

Telly telly oh no
Telly telly oh no
Telly telly oh no
Broken gone forever
