He'll kill you in the night
He would kill you with all his might
He'll grab a big knife
He'll end your miserable life
He aint good, he's quite a bitch
He dosen't like you, if you're a snitch

CHORUS

He don't take f***ed up words like melf
Who the hell is he? It's the devil himself
He don't take f***ed up words like melf
Who the hell is he? It's the devil himself

He knows how you are in your school
He knows because he aint a fool
He'll bribe you and threaten you
And send you to hell
He takes no mercy
He's the voice in your head

CHORUS

No fool because
He don't take the most f***ed up words himself
He'll kill you cuz he is the devil himself
Like I said
He don't take f***ed up words like melf
Who the hell is he? It's the devil himself
The devil himself
