What do you give to the boy whose got it all
How do you make love to a porcelain doll
You'll be the start they'll always be the end
Maybe you should enjoy it while you can
While you can

CHORUS:

The prettiest ones always hurt so bad
Don't you try and understand
Make you laugh they'll make you cry
The prettiest ones do it everytime

Touchin' them feels like a different world
Strange things do happen when boy meets girl
They'll make you long to do anything for them
Just keep in mind nothing last forever my friend

-CHORUS-

Yeah, yeah, yeah

What do you give to the boy whose got it all
How do you make love to a porcelain doll
Well you'll be the start they'll always be the end
Maybe you should enjoy it while you can

-CHORUS 2x-

The prettiest ones always been adored
Seen this world once before
Blow your faith deep inside
The prettiest ones
The prettiest ones
Do it everytime
