I got a date tonight  
My date looks cool, so shall I  
I did the most I could do to make myself cool  
Except one major problem  
I need a freaking haircut  
I sprint into town all the places' closed  
Don't know what i'll do  
I can't do it myself  
'Cos I'll make a holy mess  
The dance is starting, What can I do  
She's probably waiting, F\*\*k it she's waiting  
I'll have to wear a hat  
Wait says me I've got an idea  
So I sprint to my mom  
Yo mom can you cut my hair and make it look cool  
I can says she, why, gotta a date in school?  
Aw look my little guy is growing up  
Since the time I held you're hair whilst you was  
throwing up  
Ok, got the scissors now get in place  
And mind no hairs go down your back or on your face  
Yo mama, Have to say, Is my hair ok?  
Yes dear sweetie it's fine  
So I sprint back home and I look into the mirror  
And did I get a shock and a half  
My hair was a mess, my hair was a state  
I look like a f\*\*\*ing giraffe  
I look like a f\*\*\*ing giraffe  
I look like a f\*\*\*ing giraffe
