I've done something bad  
I don't know what it is  
I've murdered somebody  
I know not who it is  
What happened? well, it isn't fair  
'Cos I was drunk at the time

The men in white suits  
No wait, not them  
The guards in blue shirts  
And stiff grey pants  
Coming to take me away  
Coming to take me away

I've figured it out it was an old guy  
He was some sort of priest  
My ass is in deep trouble  
Deep, deep trouble  
Oh no, why is life such a bitch

Taking me away  
And I'm not a bit happy (why?)  
Cos my life just ended
