

Blacker "We Trusted You"

Visit "[We Trusted You](#)" on [MotoLyrics.com](https://www.motolyrics.com)

You broke my heart
You broke it in two
You don't realize
We trusted you
Was it a mistake?
It was a mistake

Can you believe we trusted you
What came to our head (We trusted you)
Now we wish you were dead (We trusted you)

My heart that you broke could not be repaired
I hired a mechanic there was nothing he could do
I can't believe we trusted you
What a mistake a huge mistake

Can you believe we trusted you
What came to our head (we trusted you)
Now we wish you were dead (We trusted you)

We trusted you, we trusted you
You stupid cow we trusted you

Can you believe we trusted you
What came to our head (We trusted you)
Now we wish you were dead (We trusted you)

We trusted you
We trusted you
(repeat til fade)
