Ooh, ooh, oh, no, no
Hey, hey, ooh, ooh

(I'm a 90's girl)
I'm a 90's girl
Ooh, yes, I am
(I'm a 90's girl)
Making it on my own, yeah

(Back in the day)
When my mama was raising me
I never could understand
The statement, stand behind your man

I'd rather be by his side
Sharing the load
So he can see things
From my point of view
And read my thoughts

I'm a 90's girl
Willing and able
Proving that I'm capable
And I'm to go for
What I know (I know)

And I'm going for the best
So don't put me to the test
Cause you know I'll pass
And love can last

I'm a 90's girl
In an ice cold world
Show me some respect

I'm a 90's girl
In an ice cold world
Independant and strong
I can make it on my own

Criticize my effort
Is to get what I want

I use it because you fear
An equilibrium

Just because I wear
Some sexy clothes
That don't mean take advantage
And assume I'll go

I'm a 90's girl
Willing and able
Proving that I'm capable
And I'm to go for
What I know (I know)

And I'm going for the best
So don't put me to the test
Cause you know I'll pass
And love can last

How can a man be a man
Have the upper hand and signal
And?

So tell me
Whatever happened to chivalry
R-e-s-p-e-c-t
That's all I ask from you for me

No, no, no, no
Yeah (a 90's girl)
Yeah, oh, that's all I want, yes
(A 90's girl)

Oh, no, oh, no, oh, no
Oh, no (a 90's girl)
Oh, no, oh, no, oh, no
Oh, no (a 90's girl)

I'm a 90's girl
In an ice cold world
Show me some respect

I'm a 90's girl
In an ice cold world
Independant and strong
I can make it on my own

I'm a 90's girl
In an ice cold world
Show me some respect

I'm a 90's girl
In an ice cold world
Independent and strong
I'm a 90's girl

I'm a 90's girl
In an ice cold world...
